

DEHUMIDIFIER

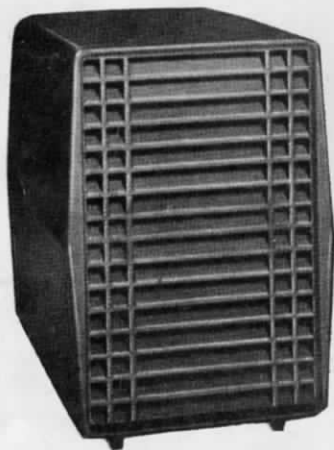

No. BO-1 — FRIGIDAIRE ELECTRIC DEHUMIDIFIER. The plug-in answer to moisture damage from excess humidity. On-Off switch controls entire mechanism. Controls humidity in any closed area up to 10,000 cubic feet — equivalent to a 25' x 50' room with 8' ceiling. Plugs into any household circuit. Prevents warping and buckling of costly playroom paneling and floors. Reduces mold and mildew on clothing and furs. 18¼" h, 20½" long, 11¼" w. **LIST \$139.95.**

No. ADI-720 — RCA WHIRLPOOL ELECTRIC IMPERIAL DEHUMIDIFIER eliminates the discomfort of high humidity and the damage it causes. Simple economical method of removing excess moisture to halt dampness, mildew and mold. Removes up to 26 pints (¾ gallons) of moisture from the air in 24 hours. Completely portable with easy rolling swivel casters. Smartly styled in two-tone green. 12" w, 17¼" h, 20½" long. **LIST \$139.95.**

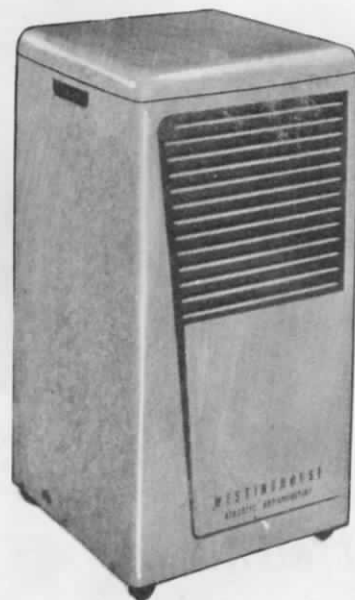

No. ADD-720 — RCA WHIRLPOOL ELECTRIC DELUXE DEHUMIDIFIER eliminates the discomfort for high humidity and the damage it causes. Here's protection for clothes and furs from mildew — for furniture from moisture and warping — for tools and equipment from rust and corrosion. Removes up to 26 pints (¾ gallons) of moisture from the air in 24 hours. Easy rolling swivel casters permit moving from room to room. No installation required — no switches to operate — simply plug in. 12" w, 17¼" h, 20½" long. **LIST \$109.95.**

No. DG5 — ADMIRAL PORTABLE ELECTRIC DEHUMIDIFIER. End mildew and "dampness damage", make air fresh and comfortable. This dehumidifier removes up to 3 gallons of moisture from the air in 24 hours. Fully automatic drainage. No installation — no switches to operate . . . just plug the Admiral Dehumidifier in. Works on any AC outlet. Rolls easily on built-in caster base. Available in "Gray-Beige" color. 20¼" h, 13½" w, 20¼" long. **LIST \$129.95.**

No. D612 — FEDDERS ELECTRIC DEHUMIDIFIER. Compact — efficient — no costly chemicals to replace — no bulky apparatus. Effective humidity control is provided by a modern cooling-condensing principle that wrings quarts of water from the air into an easily accessible container where it can be disposed of. This small compact dehumidifier fits inconspicuously into a corner or under a table. 17¾" h, 15¾" w, 19" long. Shadow beige. **LIST \$99.95.**

No. H-4B — WESTINGHOUSE ELECTRIC DEHUMIDIFIER. Soaks up moisture . . . 3 gallons a day. Prevents rust, mold, warping, peeling or rotting. Turn damp, useless basements into dry, usable rooms. No installation necessary — just plug in. Collects moisture in built-in, easy-to-empty container. Designed to keep air dry in a room or enclosed space with an area up to 10,000 cu. ft. 23½" h, 12¾" w, 18½" d. Available in grey or beige. **LIST \$129.95.**
