IT'S UP TO YOU! • 11½ min.

A classic in eye safety—the story of Eddie Briggs, who suffers a needless severe eye injury on-the-job because he wasn't wearing his safety glasses. The film graphically shows how Eddie's sight is saved. A powerful weapon in preventing blinding on-the-job and school shop accidents.

No. EVR-901 / \$150.00
DON'T PUSH YOUR LUCK! • 12 min.

An eye safety award-winner that forcefully recreates the real-life story of Bill Frank's tragic blinding in a needless accident on-the-job, and shows effects of the loss of sight on him, his wife, and child. The film details the eye and face protection to wear for specific jobs, and delivers a powerful safety message for on-the-job and school shop safety.

No. EVR-902 / \$150.00
THE SHIELD • 12½ min.

A new eye safety film that delivers gutty, unrehearsed testimony of men who escaped blindness because they wore eye protection on-the-job. "The Shield" brings new appreciation to the precious gift of sight and urges the viewer to preserve this gift by using appropriate 100% eye and face protection on-the-job and for school shop safety.

No. EVR-903 / \$150.00
STRAIGHT TALK ON EYE SAFETY
12 min.

A hard-hitting eye safety film featuring two veteran campaigners against blinding eye accidents in industry. Bill Frank, blinded in a shop accident, and James O'Neil, foremost authority on eye safety, describe the tragic consequences of eye accidents, especially to the wife and kids, and plea for 100% eye protection in shop, school, and home.

No. EVR-904 / \$105.00
IN THE CRASH • 22 min.

A blend of dramatic research footage with layman's language to show that cars and roadside structures are too often designed as costly hazards to life, health, and property—but don't have to be.
